2019 CONTINGENCY PROGRAM

Weddle Industries is proud to support off-road racing in 2019.

We will continue to offer contingency support to racers for the following: SCORE Off-Road Racing Series, Best in the Desert Off-Road Racing Series, MORE Desert Racing Series, SNORE Desert Racing Series, Texas Desert Racing Association Series, and MORR Sportsman Off-Road Racing Series.

NEW! \$500 UTV Class awards added for 2019! For the last two seasons, Weddle Industries has been working closely with UTV racers to identify specific UTV transaxle and front differential issues. Together, we have developed a specialized UTV Race Prep to keep Can-Am and Polaris transaxles at top race performance. To support our growing number of UTV customers, we have added UTV classes for SCORE and BITD to our contingency program. Registered UTV racers who have had their transaxle serviced or Race Prepped/REM polished by Weddle Industries are eligible for our contingency awards. Customers that would like to send their gears in for our Weddle UTV Race Prep/REM polishing will also be eligible for contingency awards. Please see below for additional details of our race contingency program.

SCORE and BITD CLASS 10 awards NOW \$500! In the last few seasons, the level of competition in Class 10 has really stepped up. Just like competing in the Unlimited Classes, winning Class 10 now requires a perfect race and an incredibly high level of preparation. To reward all the hard-working Weddle-equipped Class 10 teams, we have raised our Class 10 contingency awards to \$500 to match Unlimited Classes. Get it!

How our program works:

1. In order to qualify for contingency awards, entrants must use Weddle products or services in their race vehicle.
2. Weddle Industries decals must be displayed prominently on each side of the vehicle during the race.
3. PHOTOS AND VIDEO: We strongly encourage the teams to submit photos or video of their vehicle at the race for additional exposure on WEDDLEINDUSTRIES.COM and other promotional materials. Please submit media to: nick@weddleindustries.com
4. Award recipients will receive a Weddle Industries gift certificate redeemable with Weddle Industries or their transaxle builder.
5. Each contingency registration will receive two Weddle Industries T-shirts and a Weddle Industries hat.

THE MAXIMA MATCH PROGRAM. Weddle Industries is proud to continue the Maxima Racing Oils contingency partnership in 2019. How it works: purchase Maxima gear oil from Weddle Industries, run Maxima stickers on your race vehicle, and Maxima will match your Weddle contingency award. Great deal from a great company! See contingency registration form for participation instructions.
