TRANSPONDER RENTAL POLICY

ROUND:_____ DATE: _____

Per WORCS' policy, a Transponder rental fee of $10.00 and a hold deposit of $300.00 is required using either cash or a **VALID** credit card. (if the credit card you use for your deposit is not valid, your race results will be DSQ'd.) The Transponder rental is for the race weekend consisting of Friday, Saturday and Sunday whether the Transponder is used all three days or not. The racer/renter understands and acknowledges that damaged or missing clips will be charged $5.00 and all damaged transponders or transponders not returned to WORCS within posted registration trailer hours to an Official WORCS employee by close of Sunday **will be charged the $300.00 deposit**. (Zip Ties provided by WORCS at the time of rental are a COURTESY ONLY. WORCS does NOT guarantee the security or integrity of the zip ties. It is the responsibility of the racer to secure the Transponder to their bike using additional measures if necessary.) If the racer/renter keeps the Transponders past closing on Sunday and wishes to return the Transponder and clip back to WORCS at a later date, the racer/renter will be refunded the $300.00 minus a handling and loss of use fee of $25.00. If the transponder is returned without the clip, an additional charge of $5.00 will be added.

By signing below, I have read and fully understand the WORCS Transponder rental and deposit policy.
