## **POINTS, DROPS, CHAMPIONSHIP REQUIREMENTS**

PP points for year-end trophies and all PP generated "pay back" will only be awarded to PP members.

25 Point Scale	All classes

## **DROPPED ROUNDS**

Note: Rider must complete one half the number of laps as first place finisher in class to receive finish.

WORCS Amateur Championships are a "best of" series with two mandatory dropped rounds at the end of the year. Example: in an eleven-round series, the best nine results will count towards the final

point standings. In a ten-round series, the best eight results count, etc. If the racer were to compete in only seven of an eleven race series, all seven results will count toward rider's year-end points total as two of the dropped rounds would be races where the rider did not show up. Five (5) appearance points will be given for the dropped results, so long as participant entered and earned a minimum of a DNF. (Please see DNF rule on page 4.) **DSQ's are non-droppable.**

Pro-am Championships have one dropped round. The dropped round will be awarded 5 bonus points.

Pro Championships have no drops so all round count toward championship.

## **END OF THE YEAR CHAMPIONSHIP REQUIREMENTS**

Must be a WORCS member to be eligible for an end of the year trophy.

Rider must complete the following number of rounds (as listed in table below) to qualify for an end of the year championship trophy. If a rider does not complete required number of rounds, his/her points and position will still be scored in the points standings but not eligible for an award. Example: A rider who earned 3rd place but completed less than the required of the rounds will not be eligible for an end of the year trophy but will still be scored in third place in the standings.

Furthermore, the rider in fourth place will not be bumped into third even if they have completed the required or more than the required of the rounds

8	5
9	6
10	6

12	7

Ties for class championship will be broken by the most first place finishes first, then by most second place finishes, third place, fourth place, fifth place and so on until the tie is broken.

## **BUMPED RIDERS/ CLASS TRANSFER**

Bumped riders will carry 50% of their earned points prior to getting bumped.

Riders who move themselves up must ask in writing to have their points moved. Please send email to [heather@podiumpromotionsllc.com](mailto:heather@podiumpromotionsllc.com)

A racer who feels confident in their points standings at the end of the year, may choose to race the final race in a higher skill class is permitted without being penalized. Note that this will be at the sole decision of the racer.
